Chief Review Staff

MEMORANDUM FOR THE RECORD

SUBJECT: Noncompetitive Appointment of Agency Employees to Positions in the Competitive Service

	1. On the afternoon of 29 March I briefed	
	Mr. Harry Fisher in detail concerning the background of	
	this Agency's several moves toward seeking an arrangement	
	whereby its employees could transfer without examination	
	to positions in the competitive Civil Service. Mr. Fisher	
	had not been aware of the extent of this prior interest	
	and seemed impressed with past deliberations on the subject.	
	He asked me to go ahead and arrange with	25X1A9A
	to meet jointly with Mr. Harold Leich at the Civil Service	
	Commission, (Mr. Leich is on Code 101, extension 24628.)	
	The purpose of the meeting would be to establish how we	
	should proceed toward establishing an interchange agreement	25X1A9A
	under the authority of an appropriate Executive Order.	ZJATAJA
	2. On 30 March I telephoned and told	
	him of my discussion with D/Pers. I learned that	25X1A9A
	was also unfamiliar with the rather extensive background	
	concerning this Agency's interest in the subject. He and I	
25X1A9A	agreed that we should delay meeting with Mr. Leich briefly	
	until he has a chance to review the background	05)/4404
	material. I agreed to arrange for such a review as soon as	25X1A9A
	the background file is returned to me from OD/Pers.
